

BUTLER TECH

STUDENT/MINOR PHOTOGRAPH/VIDEO CONSENT FORM

From time to time, Butler Technology and Career Development Schools (and its associate school districts) may take photographs or video of students or other minor persons on school property and at school activities. The school district may make these photographs or videos available to the media and may place photographs or videos of students other minor persons on marketing materials (such as billboards, catalogues, and brochures) and on various online platforms for purposes of promoting school activities and community engagement. These online platforms may include the Butler Tech website(s), YouTube, Facebook, Twitter, or other social media outlets.

I, the parent/guardian of _____, consent to having video and images of my child being taken by Butler Tech (and its associate school districts) on school property or at school activities. In addition, I consent to Butler Tech making these photographs or videos available to the media and placing video and images of my child on marketing materials and on online platforms, including the Butler Tech website(s), YouTube, Facebook, Twitter, or other social media outlets. I understand that my child's image, name, work product, school, and grade may be revealed in photographs/videos but that no other information about my child or my child's schoolwork will be revealed without prior consent.
