

POSITION	Innovative Teaching & Learning Coach
LOCATION	Central Office
GENERAL DESCRIPTION	<p>The Innovative Teaching &amp; Learning Coach serves in a district support role to assist in the deployment of a Teaching &amp; Learning Plan and other district curriculum innovations. The Coach will manage curriculum-specific projects across the district, working in various divisions, departments, and subject areas as needed. The Innovative Teaching &amp; Learning Coach will also evaluate curriculum development and implementation throughout the district; provide information to and serve as a resource for educators regarding instructional coaching, curriculum development and improvement; and provide expertise and guidance to administrators on curriculum development and best practice delivery methods. This position works primarily with administrators and educators and spends minimal time working with students.</p>
