## Industry Overview

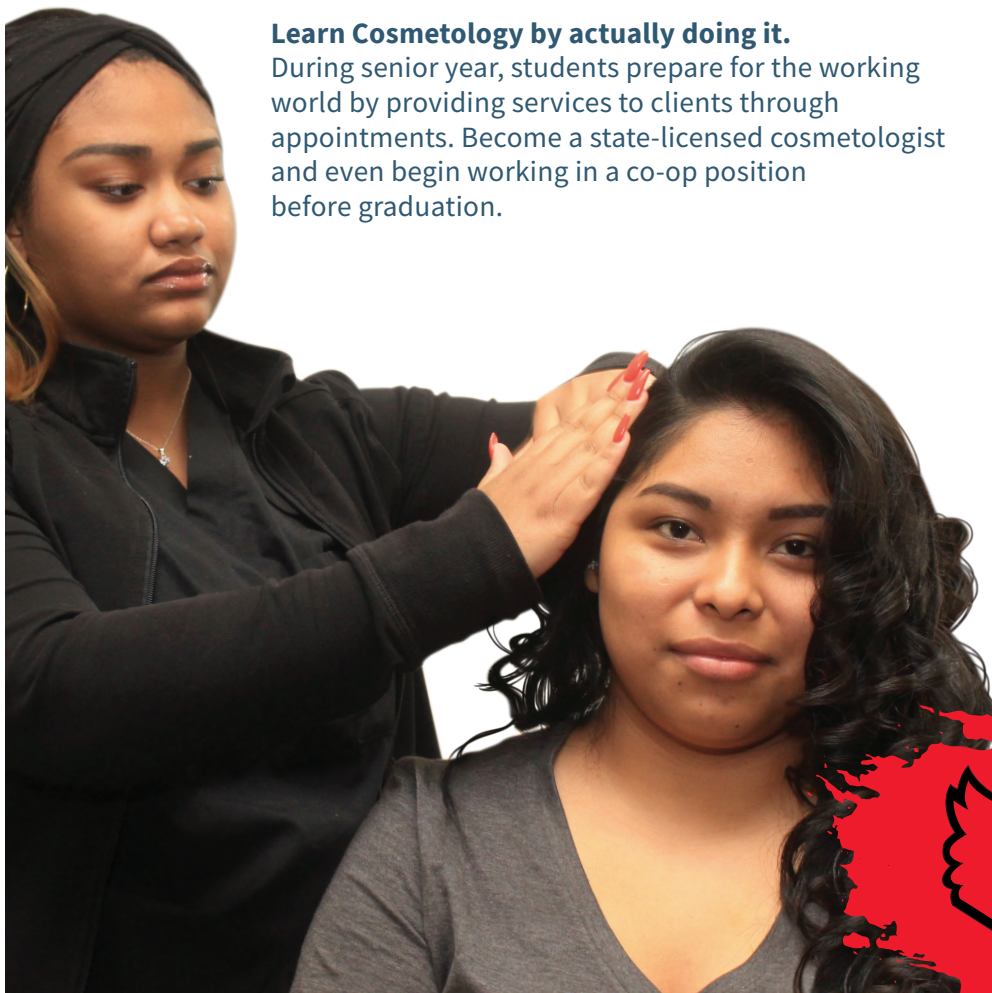

Cosmetology is part of the 400-billion-dollar beauty industry, and jobs are in high demand. Employers want talented, confident stylists who can get the job done and keep clients coming back. In the cosmetology business, you can go as far as your skill, experience and passion will take you. Help people feel confident and beautiful with your skills for creativity, hospitality and empathy.

## Butler Tech Cosmetology Overview

In the Cosmetology pathway, blend your artistic talent with technical skills learned through hands-on training. Work in a salon setting alongside field professionals with the latest equipment and products to care for hair, nails and skin.

### Learn Cosmetology by actually doing it.

During senior year, students prepare for the working world by providing services to clients through appointments. Become a state-licensed cosmetologist and even begin working in a co-op position before graduation.

**"Junior year is perfecting skills and preparing for the state boards with fundamentals. Senior year, we work on speed, so that our students can compete next to someone in a salon who has been there for ten years or more. Seniors work with clients in our training salon, so they are prepared for the working world when they graduate."**
