

# Discover HEALTHCARE SCIENCE

**bt** Butler  
Tech

in Colerain and  
Northwest Local Schools

### Industry Overview

An aging population equals a booming business for healthcare providers. According to the U.S. Bureau of Labor Statistics, healthcare careers are projected to grow 18% by 2026, adding about 2.4 million new jobs in the field. Use your instincts for analytical thinking, problem-solving and caring for others in an exciting and meaningful career in caregiving.

### Butler Tech Healthcare Science Program Overview

Choose a career from more than 250 specialties in the healthcare field. Butler Tech's Healthcare Science pathway gives you the building blocks to your dreams, teaching students how to care for patients at all stages of life, collect vital signs, document changes over time and respond to life-threatening emergencies. During senior year, Healthcare students select one of two specific courses of study: patient care skills leading to state-tested nurse aid (STNA) certification, or surgical support leading to a phlebotomy certification.

### Hands-On Experience

Learn Healthcare Science by actually doing it. Butler Tech has a unique partnership with local hospitals and medical practices, offering students hands-on opportunities like:

- Job shadowing
- Internship
- Clinical experiences

Graduate from high school ready for an entry level position as a state-tested nurse aid (STNA) or Phlebotomist. Earn certifications and up to 60 college credits to apply toward a college degree in a more advanced course of study. Many students earn college scholarships upon successful completion of the Healthcare Science pathway.

### Student Organization

All students participate in the Health Occupations Student Association (HOSA), a career technical student organization for future health professionals. Compete in a variety of health-related challenges through HOSA to enhance your knowledge, skill and leadership development.

### Coursework

- Diagnostics
- Health science and technology
- Medical assisting
- Medical terminology
- Patient-centered care
- Phlebotomy
- Principles of allied health and medicine
- Senior capstone  
*independent research project  
in the field of your choice*

### Certifications

- First aid
- CPR
- State Tested Nurse Aid (STNA)
- More, depending on capstone specialty

### College Credit Plus

- Earn up to 60 college credit hours for FREE

**Your PASSION. Your PURPOSE. Your IMPACT.**

- Nurse Assistant
- Paramedic
- Paramedic
- Patient Care Assistant
- Pharmacy Technician
- Physician
- Radiographic Technician
- Respiratory Therapist
- RN

**"We have the opportunity to learn what we want to do now, during high school, rather than waiting until after high school. It's a fast-track to what I want to pursue."**

*Senior Student, Healthcare Science*

**Discover Healthcare Science at Butler Tech and pursue a career that's right for you.**

Butler Tech connects high school students to career technical education in more ways than ever. Complete your traditional academic courses in half of each school day and fill the other half of your day with career-focused labs and on-the-job training. Each moment in a Butler Tech career technical program is a step toward building your future.

See your guidance counselor for application information.
