We have made arrangements with Robert's Medical Uniforms to supply your uniforms for the upcoming school year. You can stop by their store located off of the Tylersville Rd exit to order your uniforms. They will have samples of all of the items for you to try on to ensure proper fit. We highly recommend that you try them on before ordering. They are embroidered or screen printed, and you cannot return them once they are decorated. Robert's accepts cash, checks, and all credit cards except American Express. We have included a copy of the order form that will be used to place your order. This is so you have an idea of what to expect the uniforms to cost and to also help Robert's identify which program you are enrolled in at Butler Tech. Please take the order form with you to the store to help avoid confusion. Please place orders by **July 1st** to ensure delivery for the start of the school year.

Required Uniforms- All polo shirts will be logoed with the Butler Tech Exercise Science logo.
