

| POSITION: Adjunct Bio-Pharma Manufacturing Instructor

| LOCATION: LeSourdsville Campus

| GENERAL DESCRIPTION: This Adjunct Bio-Pharma Manufacturing Instructor role encompasses a crucial position within our workforce development training programs. As a skilled instructor, you will have the opportunity to teach and guide students in the dynamic fields of pharmaceutical and biotechnology manufacturing. Our comprehensive curriculum introduces industry concepts, preparing students for entry-level roles in biomanufacturing. You will bring our pre-developed curriculum to life in the classroom, navigating hybrid learning systems while promoting student engagement. Your responsibilities will also include utilization of our learning management system to manage all aspects of academic development.

| QUALIFICATIONS:

- Bachelor's degree relevant to content area OR a minimum of three (3) years of verifiable industry experience;
- Strong hands-on experience and knowledge of biotechnology or pharmaceutical industry manufacturing, quality control, or R&D; GMP/GDP; FDA regulations; contamination control; aseptic techniques; upstream/downstream processes; and clinical trials;
- Ability to secure an Ohio Department of Education Adult Education permit;
- Student-oriented teaching style with ability to adjust approach to suit individual adult learner needs;
- Willingness and ability to work with students, teachers, and administrators as a team member;
- Proficiency in email and Microsoft Office programs;
- Effective and demonstrated problem solving, critical thinking, analytical, oral and written communication, presentation, and organizational skills;
- History of strong work record, including good job attendance; and
- Documented evidence of acceptable criminal record as required by Ohio law and Board policy.

| START DATE: March 2025

| SALARY: \$32.00 - \$40.00 per hour with placement based on experience

| WORK SCHEDULE Up to 29 hours per week; Daytime and evening hours available

| APPLY TO: Send resume to Associate Director of Business & Industry Programs, Dennis Beam at beamd@butlertech.org
