

# Discover FINANCIAL SERVICES

**bt** Butler  
Tech

in Colerain and  
Northwest Local Schools

### Industry Overview

Whether you're thinking about majoring in business in college, hoping to become an entrepreneur, or just looking for an exciting and challenging way to explore the world of business and finance, Financial Services will introduce you to a multitude of diverse occupations crucial for any company.

### Butler Tech Financial Services Program Overview

Financial Services offers a truly unique atmosphere, learning interesting material in a fast-paced, interactive environment. Teamwork, effective communication techniques, and time management skills are learned through extensive involvement in classroom projects and activities.

### Hands-On Experience

**Learn Financial Services by actually doing it.**

Butler Tech has a unique partnership with local businesses, offering students hands-on opportunities like:

- Job shadowing
- Internship
- Work-study experience

### Student Organization

Students enrolled in Financial Services automatically become members of Business Professionals of America. BPA is a national organization for students interested in pursuing futures in business. Nationwide, BPA has more than 45,000 members in over 1,800 chapters across 25 states. Being part of BPA will be one of the most rewarding aspects of your business class.

### Coursework

- Experiencing the latest technology applications used in business today
- Gaining the skills necessary to manage your financial future
- Improving your communication skills, building your leadership abilities, and developing strategies for working successfully in teams
- Learning how to start, finance, and grow your own business
- Preparing for a successful transition to many exciting college majors and careers

Your **PASSION**. Your **PURPOSE**. Your **IMPACT**.

### Possible College Majors

### Possible Careers

Stock Broker, Investment Banker, Accountant, Lawyer, Economist, Consultant, Financial Analyst, Money Manager, Insurance Agent, Realtor, Entrepreneur, and more.

**"I will remember this class because not only was I educated in the basic principles of what my future career will be, I was also educated in the basic principles of being a professional, a good student, and a responsible leader."**

Student, *Financial Services*

**"Financial Services isn't just a business class, it's a life class."**

Student, *Financial Services*

**Discover Financial Services through Butler Tech and pursue a career that's right for you.**

Butler Tech connects high school students to career technical education in more ways than ever. Complete your traditional academic courses in half of each school day and fill the other half of your day with career-focused labs and on-the-job training. Each moment in a Butler Tech career technical program is a step toward building your future.

See your guidance counselor for application information.
