

POSITION	Electrical Technology Instructor
LOCATION	Fairfield Township Campus, D Russel Lee Building
GENERAL DESCRIPTION	We are seeking a dynamic instructor to work with high school students pursuing an Electrical Technology program. Hands-on, lab-based training and co-op opportunities will allow students to launch a career in the construction, manufacturing, and industrial maintenance fields and connect them directly to employers and industry mentors.

Curriculum will include one year of the ALLIANCE electrical training curriculum, recognized with IBEW. Students may earn industry credentials including NCCER Core, NCCER Electrical Level I, and OSHA 10-Hour Construction Safety.

Students will also participate in the career technical student organization SkillsUSA.
