

Uniform

- Work boots
- Fluorescent colored t-shirts
- Work pants

Tools from Home Depot

The required tools for the school year have been price-locked through Home Depot for our construction students.

Students/parents should:

1. Visit or call Home Depot Pro Desk at:

- 6562 Winford Avenue Hamilton, OH 45011
- 513-785-4704
- Inform the Pro Sales Associate that you are a Butler Tech Construction Program student and need to order your price-locked tool package.

If you choose to order online independently, prices will NOT be price-locked and may be higher than the secured student pricing.
