

POSITION	Animal Caretaker/Farm Hand Intern(s)
LOCATION	Monroe Campus (Natural Science Center)
GENERAL DESCRIPTION	Butler Tech's Monroe Campus is located on a former 72-acre fruit farm on Route 63 in Monroe. The farm-like setting, coupled with top-notch facilities, provides high school students with the opportunity to experience rigorous experiential learning. The Farm Manager Interns will occupy the home together on premise, possible co-ed shared housing and are responsible for light maintenance of facilities and the care of animals outside school hours, any time students are not on campus (Breaks, PD, Holidays, Inclement Weather) and during summer months. This is an individual co-working internship position (up to 3). A year-to-year contract is offered for this position with the option for a 1 year renewal.

Former Butler Tech Agricultural Students encouraged to apply!

| QUALIFICATIONS

- High school diploma or equivalent;
- Farming/Agricultural background preferred;
- Enrolled in an agricultural collegiate program preferred;
