

POSITION	Innovative Teaching & Learning Coach
LOCATION	Central Office
GENERAL DESCRIPTION	<p>The Innovative Teaching &amp; Learning Coach serves in a district-level support role to lead assigned curricular areas and ensure alignment with college and career pathways. This position plays a key role in advancing district instructional priorities by contributing to district-level planning, instructional design, and the execution of curriculum-specific projects. The Coach partners closely with administration to execute consistent coaching and cultural routines, supports the onboarding and development of new teachers through targeted coaching, and evaluates curriculum implementation across departments and subject areas. Additionally, the Innovative Teaching &amp; Learning Coach leads a personalized area of expertise and serves as a vital resource for educators and administrators in instructional coaching, curriculum development, and the implementation of best practices.</p>
