School Lunch Accounts: Making school lunch purchases easy and convenient:

1. Students can bring a check made out to Butler Tech or cash. Please include the student's name and account number in the memo space.
2. Set up and manage your student's meal account at [PaySchoolsCentral.com](https://payschoolscentral.com). If you use PaySchools for another school, a different email address is required. You can add money to this account.
3. For free or reduced meal applications and more information, visit butlertech.org or [PaySchoolsCentral.com](https://payschoolscentral.com). A determination letter from Butler Tech is required to receive free or reduced meals.

Nutritional Guidelines:

- Butler Tech is a participant in the National School Lunch Program (NSLP) and adheres to USDA guidelines for school meals.
- Visit the Butler Tech website for information on meal requirements and to view the "Make it a breakfast" and "Make it a meal" flyers.
- School menus and information on food sensitivities can be found at www.schoolcafe.com under Butler Tech as a guest (you do not need to create an account. For special requests, please contact AVI's Resident Director.
